Compassionate About Health Care. **Passionate About People.**

ReDiscover is a nonprofit community mental health center that has been serving the Kansas City area for **more than 55 years**. With a team of **over 700 dedicated employees**, we provide programs and services for adults, families, and children whose lives have been affected by **mental health and substance use challenges**.

We provide a wide range of care, including **community support programs, outpatient therapy, crisis centers, youth and family services, and substance use disorder services**, helping individuals and families achieve healthier and more fulfilling lives.

We proudly serve a broad range of individuals – including those with limited financial means or without insurance – because access to care should never depend on circumstance.

Our Mission

ReDiscover's mission is to deliver mental health and substance use disorder services to help individuals and families achieve healthier, more productive lives.
